NON-NEGOTIABLE GUARDRAILS

- ✕ Never monetise what feeds the flywheel — collections, reviews, taste cards stay free forever
- ✕ No sale of individual user data — brand intelligence is aggregated and anonymised only
- ✕ Brand money never distorts organic taxonomy — sponsored placements are always labelled and classified-gated

DEVELOPER MARKET

3.5M developers

Top 1,000 averaged $1.3M earnings in 2025. 5% Studio Pro penetration at £29/mo = £6.1M ARR at scale.

ADS MARKET SANITY CHECK

£100K+/mo

At 25K indexed games, 5% developer ad participation, avg £80/mo campaign. Scales directly with SEO traffic.
