SHAPED WITH SUPPORT FROM PARTNERS IN CARE AND WELLBEING

NHS NHS NHS NHS NHS

Feel supported in the moment.

Your energy changes through the day. Better360 helps you respond to it with clarity, not pressure.

Check in with yourself

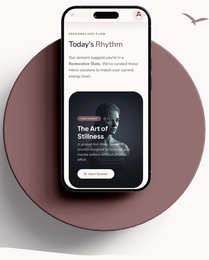
A simple guided check-in helps you understand how you feel right now. No overthinking. No long forms.

See your energy clearly

Your Score shows your state at a glance. Calm, steady, or low. No judgement.

Follow what helps

Get support matched to your energy. Rest when needed. Move when ready.



Move with your energy, not against it.

Better360 helps you understand how you feel in the moment and respond in a way that fits your capacity.

Understand how you feel in under a minute. No long inputs.

Guided check-ins

Understand how you feel in under a minute. No long inputs.

Body Ring Score

See your energy clearly. Calm, steady, or low.

Sessions that adapt

Get support that fits your capacity. Rest or move based on how you feel.
